October 8, 2020

Dear Parents/Guardians,

Last night our Board informed parents that schools would be re-organizing classes over the next few days and that remote learners would now be placed with their home school. Tuesday October 13 has been designated a day for making the necessary changes and therefore students will not be coming to school on this day. Parents/ Guardians will be informed of their child's teacher on Tuesday. Every effort will be made to keep movement to a minimum, however there will be some changes including teachers and classrooms. Please understand that requests are not possible at this time. As well on Tuesday, if your child is a remote learner, the new classroom teacher will reach out to you to provide your child's login information for the virtual learning environment.

As part of the transition, we will ask students to bring home most of their personal items on Friday and bring them back with them on Wednesday. Any items they are not able to bring home will be bagged and moved as needed.

On Wednesday October 14, 2020, students will come to school as they have been and will assemble in their regular play yard. A few minutes before the bell, teachers will come and gather their children into the new classes and the day will begin.

We are excited to welcome back our students who have been learning remotely with other staff and will now be learning remotely with staff from their home school. It is wonderful to have everyone together again.

I would like to thank our staff who are working extremely hard to reorganize and prepare for the changes that will be starting next Wednesday. We are blessed with such a wonderful and dedicated group of professionals!

I would also like to thank you, our families, who are so understanding and flexible. We have such a wonderfully supportive community!

Yours in Catholic Education

R. M. Amos

Principal
