

Good Shepherd Child Care Centre Community of Maple Child Care Services

On behalf of the current Board of Directors for Good Shepherd Child Care Centre, we would like to take this opportunity to introduce the Community of Maple Child Care Services as the new operator for the Child Care and Before and After School Program for Good Shepherd Catholic School community. We would like to reassure our families that we will be working together to ensure a seamless transition. We would also like to thank the families, school, staff and community for your support over the years and ask you to continue to support Community of Maple Child Care Services. Please read below as they provide more information.

The Community of Maple Child Care Services (COMCCS) is a not for profit, charitable, Corporation with over 30 years of experience in providing high quality programs ranging from infants to school age. We have built our successful reputation based on always putting the children first and ensuring that we provide programs that meet the needs of families and enhancing the community. We are excited about coming into East Gwillimbury and are looking forward to partnering with families to ensure your child/ren have the best program possible.

Our intent is to start our program on **Monday, January 4, 2021**, therefore, it is important for us to begin connecting with families to identify your needs with regards to programs and services. If you require care immediately or over the next couple of months, please fill out the enrollment survey attached. Email the survey or enrollment requirements to talk2us@comccs.com by **Friday, December 11, 2020**.

Once we receive your enrollment survey, we will contact you to begin the registration process or place you on the waitlist based on your intentions. Following this, you will be provided with your online registration package and will be invited to participate in a virtual parent orientation.

The new hours of operation will be 6:30 a.m. to 6:30 p.m. The Child Care Program will offer care for toddlers & preschoolers, you will be able to enroll for 2, 3 or 5 days per week. The Before and After School Program will offer care for kindergarten and school aged children, you will be able to enroll for 2, 3 or 5 days per week. In addition, you will have the option to enroll for only AM or PM. The Before and After School Program operates from September to June and offers full day care on PA days, March Break and Summer Camp. Below are the rates for all our programs.

We have been operating under the COVID-19 pandemic since July 2020. Although, it has been challenging navigating through these unprecedented times, we have managed to do so successfully. What we have learned is that transparency is key, and we have been open and honest with all families and employees, always sharing the information as it is received. Our main focus is everyone's health, safety and well-being. To this end, an escalated pandemic response plan has been developed and each family will receive a copy, this will also be reviewed during your parent orientation.
